

CONTRACT OPPORTUNITIES FAIR:

**FROM LANDSCAPE TO AEROSPACE**

**FRIDAY, AUGUST 18, 2023**  
**UCAR CENTER GREEN CONFERENCE CENTER**  
**BOULDER, COLORADO**

This full day event, held in partnership with NASA and many other contracting organizations, is designed so that agencies and organizations with upcoming contracting needs have interactive opportunities to connect with small businesses that may be a qualified match—at exhibitor tables, during breakout sessions, during one-on-one pre-scheduled appointments, during roundtable discussions and endless networking opportunities throughout the day!

The full day's agenda will include breakout session tracks for aerospace and defense, construction and other procurement and supplier diversity opportunities and workshops (certifications, registrations and contracting basics). One full track will be held in Spanish.
